

I request the Assessing Department not publish my property photo on the web page. By signing the form below I certify that I am the titled owner of the property listed at the address below.

Name: _____ Address: _____
Phone: _____ Date: _____

The Assessing Department strives to have the most complete property information for taxation purposes. This goal does not in any way diminish your right as a property owner. Publishing a photo of your property on the web is not required by law, it is a convenience for those who use the Town's web site. Thank you for letting us serve you better.
